RE: SSA/IHA-09-001-S
IFB for In-Home Aide Services

The Department of Human Resources, Social Services Administration, Office of Adult Services would like to thank everyone who submitted Bids in response to the above Invitation for Bids (IFB). It is with much regret that I must inform you that the Board of Public Works did not approve the recommended awards. In effect, the IFB must be cancelled and reissued with some recommended changes. The IFB will be re-solicited at a later date; your company will remain on the Bidder's list, to receive the solicitation at that time.
